

Feliz Navidad! – A World Christmas

Celebrating Christmas music from around the world, featuring two of Newfoundland and Labrador's premier choirs and special guests.

PRESS RELEASE: November 16, 2017

Christmas is about coming together, which is why *Lady Cove Women's Choir* and *Newman Sound Men's Choir* are ringing in the Christmas season with help from a stellar cast of instrumental musicians and special soloists from the *Association for New Canadians*.

Together they're presenting "Feliz Navidad – A World Christmas" on **Saturday, November 25, 2017, 8pm, at Gower Street United Church.**

Lady Cove Women's Choir, and Newman Sound Men's Choir are performing arrangements made famous by the Juno award-winning Vancouver Chamber Choir. Feliz Navidad is an authentic world-fusion Christmas – from the colourful and rhythmically charged music of Latin America, to peaceful and pious contemporary arrangements of Scandinavia and Europe, and of course, your favorite traditional carols made popular in North America.

"This is the perfect concert to ignite your Christmas spirit," said Jennifer Hart, Artistic Director of Newman Sound Men's Choir. Newman Sound is delighted to join forces with Lady Cove to perform these stunning arrangements made famous by Jon Washburn and the Vancouver Chamber Choir."

The choirs will be supported by guest soloists from the *Association for New Canadians*, an incredible world music band, including: Duane Andrews on guitar; Rob Power, Alanna Fitzpatrick and Jennifer Hart providing percussion rhythms; joined by Heather Kao, Carole Bestvater, Kate Read, Theo Webber, Josh Ward serenading us on strings; accompanied by Sarah Comerford on flute and Leslee Heys on piano.

And, you're in for a special treat – we've partnered with *Growing the Voices: Festival 500* to hold a special version of their popular community singing series, Instant Choir! So, warm up your singing voice and kick off your Christmas with us!
